Product Description

Used 4 TON All-terrain forklift Rough Terrain Lift Trucks for sales

Looking for a reliable, high-performance forklift at an unbeatable value? As one of China's largest suppliers of second-hand machinery, we specialize in delivering top-tier refurbished forklifts to domestic and global markets. With 3,000+ units in stock, 20+ years of export expertise, and a customer-first approach, we ensure quality, affordability, and seamless service for businesses worldwide.

Why Choose Our Mitsubishi FD3000 Forklifts?

1. Unmatched Inventory & Quality Assurance

- 3,000+ Machines Ready for Immediate Delivery: Our expansive warehouse on Yuanjiang Road, Shanghai, houses a vast selection of Mitsubishi FD3000 forklifts, all thoroughly inspected and refurbished to meet operational standards.
- Undamaged & Fully Functional: Every unit undergoes rigorous testing to ensure optimal performance, safety, and durability.

2. 20+ Years of Export Excellence

- Global Reach: Trusted by clients across Asia, Europe, Africa, and the Americas, we understand international logistics, certifications, and compliance requirements.
- Professional Sales Team: Our multilingual, experienced team provides tailored solutions for your material-handling needs.

3. Comprehensive After-Sales Support

- 24/7 Online Assistance: Our friendly technical team offers remote troubleshooting, maintenance tips, and operational guidance.
- Genuine Parts Availability: Source authentic Mitsubishi forklift parts directly from us to extend your machine's lifespan.

4. Cost-Effective & Sustainable Choice

7. Cost-Effective & Sustainable Choice

- Budget-Friendly Pricing: Save up to 40% compared to new models without compromising on performance.
- Eco-Conscious: Reduce waste by investing in expertly refurbished equipment.
