Standard Packaging:	container, flat rack , bulk ship
Delivery Period:	5-8 work days
Payment Method:	T/T,L/C

Supply Capacity: >30 units

Detail Information
Product Description

Detail Information

Place Of Origin
Japan
Brand Name
TOYOTA
Certification
ISO9000
Model Number
3TON
Features:
Energy Saving
Fork Width:
550 Or 685mm
Unique Selling Point:
Energy Saving
Power Type:
Electric Or Diesel Forklift
Fork Length:
1070mm, 1220mm, 1370mm
Forklift Length:
2858mm
Capacity:
3 Tons
Excavator:
Mitsubishi
Feature:
High Efficiency

Bucket Capacity:
3M³
Application:
Engineering &Construction
Overall Dimensions:
2680x1225x2120mm
Core Components:
Bearing, Gearbox, Engine
Operating Weight:
3ton
Minimum Order Quantity:
1units
Price:
8000-12000\$
Packaging Details:
Container, Flat Rack , Bulk Ship
Delivery Time:
5-8 Work Days
Payment Terms:
T/T,L/C
Supply Ability:
>30 Units
Highlight
3 Ton Used Forklift, 3 Ton Used Mitsubishi Forklift, Diesel Used Forklift

Product Description

Comprehensive Overview of TOYOTA 3 -Ton Forklift – Robust Performance for Heavy-Duty Material Handling

About Our Company
Located on Yuanjiang Road, Shanghai, we are a premier global supplier of high-quality used industrial machinery, specializing in serving domestic and international markets with 20+ years of export expertise. With a vast inventory of 3,000+ rigorously inspected machines, including the reliable TOYOTA 3Ton Forklift, we provide cost-effective, durable solutions for ports, logistics, construction, and heavy manufacturing. Our professional sales and after-sales teams prioritize customer satisfaction, offering 24/7 multilingual support, genuine spare parts, and seamless global logistics to ensure uninterrupted operations.

Why Choose the TOYOTA 3Ton Forklift?
The Forklift is engineered to handle the most demanding material handling tasks with precision and power. Here's why it's a top choice for industrial and commercial applications:

- Exceptional Load Capacity & Stability

- **Exceptional Load Capacity & Stability**
Designed to lift 15 metric tons, this forklift features a reinforced chassis, heavy-duty mast, and durable forks, making it ideal for shipping containers, steel coils, and large-scale manufacturing.
- **Cost-Efficient Performance**
As a refurbished unit, the Forklift delivers 85-95% of new-equipment capability at 50-60% of the cost, offering unmatched value for businesses prioritizing budget and reliability.
- **Fuel Efficiency & Eco-Friendly Operation**
Equipped with a high-efficiency diesel engine (or optional electric models), it reduces fuel consumption and emissions, complying with modern environmental standards.
- **Operator Comfort & Safety**
The ergonomic cabin includes air-conditioning, adjustable seating, and intuitive controls. Advanced safety features include overload protection, anti-slip platforms, and 360° visibility for hazard-free operation.
- **Versatility & Adaptability**
Compatible with various attachments (e.g., clamps, rotators, side shifters), this forklift excels in container handling, lumberyards, and heavy industrial environments.
- **Durable Construction & Low Maintenance**
Built with Mitsubishi's renowned engineering, it features corrosion-resistant materials and easy-access service points, minimizing downtime and repair costs.

Toyota 3-Ton Forklift Technical Specifications

Parameter	Details
Load Capacity	3,000 kg (3 metric tons)
Power Source	Diesel / Electric / LPG (Model-Dependent)
Engine Model (Diesel)	Toyota 1KD-FTV (Example)
Power Output (Diesel)	36 kW (48 HP) @ 2,500 RPM
